## Forbidden area

- Purple hatched areas (map sign 709) are forbidden to cross because of nature protection (nature reserve, young trees). They are not marked in terrain.
- Diagonal purple lines (maps sign 710) are used for dangerous area with bee hives (all three days) and also for firing range (S1).
- It is forbidden to enter settlement (map sign 527).

## Notice

During S1 some courses cross occasionally used road. Competitors have to follow organizers' instructions. Crossing this road on other places than these marked (map sign 708) is forbidden.

Some classes, for example H20, H21B and D21E, have during S3 multiple crossings of the course. Pay careful attention to control order reading.

## Start numbers

Start numbers (bibs) for all competitors on registration, it is obligatory to use them during the whole event.

Every runner is obliged to put his actual starting time for S3 on his start number (bib) according to the start list - please use the marker on ethanol basis, available in the CC and at the start. The first 5 leading runners after two days in classes B3, B5, DH10L, DH10, DH12, DH14, DH16, DH18, DH20, DH21E, DH35A, DH40A, DH45A, D50, H50A, DH55, DH60, DH65, DH70, H75 and H80 will get their special start number (bib) at the start of the 3rd day. These runners have to wear **both** numbers (bibs).

## Start

- S1: **00=12:00**, distance 800m, climbing 45m, blue and white ribbons.
- S2: **00=10:00**, distance 1700m, climbing 0m, blue and white ribbons.
- S3: **00=10:00**, distance 1900m, climbing 50m, blue and white ribbons.

Classes T, P and HDR start any time from a separate corridor, until start time of the last competitor of the stage (S1 170, S2 225, S3 160). They punch a special SI unit just before start.

## Start times for S3

Time	Class
0:	D20, D70, H18, H50B
10:	D18, D40A, H20, H60
20:	D16, D21E, H40B, B3

The chasing start lasts 30 minutes in each class. Competitors with a loss of more than 30 minutes comparing to the leader will start afterwards in regular intervals. Classes P, T3, T6 and HDR don't have the chasing start.

## Entry in the start corridor of S3 is 6 minutes before the start!

Start list of S3 will be on internet (<http://www.obkohlarka.cz/pe>) on Saturday evening and posted up on Sunday morning in the CC and gym.

## **Punching system**

Sportident (not wireless AIR+) is used during the whole event. It is possible to use all types of SI cards, even SI10 and SI11.

Every competitor in the start corridor will do as follows:

- 1. clear the Sportident card
- 2. check the clearing of the SI card

## **Finish**

S1: 800 m. The way is different from way to start. SI reading control in the CC.

S2, S3: in the CC.

Every competitor in the finish area will do following:

- 1st&2nd day: Finish the race by marking the SI card at the finish line.
- 3rd day: Competitors will mark their card just a few meters behind the finish line.  
The final result will be set by the sequence of competitors at the finish line.

For those who will not start in the chasing start (e.g. their loss is more than 30 minutes or they are in a class without a chasing start) the finish control a few meters behind the finish line represents the true finish.

Competitors with SI cards provided by organizer return them after finishing their last course at the SI reading control. All runners, even those who did not finish the stage, are obliged to read-out their SI card.

## **Control descriptions**

Control description cards of each class will be available in the CC, not at the start. Neither will it be printed on the maps!
