**Note:**

The organiser might merge some categories in case of low amount of competitors.

Unregistered competitors H/D21 will specify in the entry application the highest subcategory in which they would like to start (E, A, B or C). Competitors registered in Czech orienteering federation will be assigned to the category according to the ranking on 30<sup>th</sup> June 2024. Then the supernumerary competitors will be moved to lower subcategories. Non-registered competitors, please choose the category accordingly to your abilities or enclose your results or national ranking position. Maximum number of competitors in the subcategories: H21E-60, H21A,B,C-75, D21E-60, D21A,B,C-75. The organizer reserves right to change the number of competitors in the subcategories.

The organizers, in an effort to accommodate parents with young children, are preparing courses in the HDR and HD10L categories with the start and finish near the center, accessible even with pushchairs. The terrain will not overlap with adult categories, so parents can decide the order in which they complete their races.
